Auditors

We, the Trustees of the Ingalls Memorial Library, feel that the past year has brought increased library service to the Town of Rindge. There have been a number of new books added by purchase and gifts. Among the volumes having been purchased is a new set of encyclopedia, which includes a quarterly service plan, thus keeping the information up to date. These books should prove of much value to the school children and to the seeker of general information. We wish to express our gratitude to those, who have so generously shown their interest in our library by the gift of books and magazines,—David Mathewson, Mrs. Champney, Miss Ware, Miss Morgan, Mrs. Allen and Mrs. Wilder.

By availing ourselves of the CWS funds given the State Library Commission, we were able to retain the services of Miss Wilma Hale as assistant to Miss Morgan, thus keeping the libraries open longer hours and extending the service to East Rindge.

In these days of disorder and uncertainty, it is important that we, as a community, support the most efficient library service we can afford, in order that our mental equilibrium as a people, through study and recreational reading, may be maintained. Also looking to the future, with its larger allotment of leisure, we need to encourage those facilities which provide worthwhile use of this additional free time. One of those facilities is undoubtedly the public library.

The Trustees of the library wish to thank Miss Morgan, Miss Hale and Mr. Barrett for their faithful service and cooperation during the year.

Respectfully submitted,

Of the new volumes purchased, ten were the American Educator Encyclopedia and of those given, ten were a very beautiful edition of "Progress of Nations," a history of the world and its people, from earliest times to the present day, the latter a gift of Mrs. George W. Wilder in memory of her husband. Both sets of books are most welcome additions to the library collection.

Because of the employment given to Miss Wilma A. Hale, as assistant librarian, from Dec. 4th to Feb. 1st, under the CWA program, we have been able to keep the Ingalls Memorial Library open three additional hours each week and West Rindge Branch Library two additional hours, also to maintain a Library Exchange twice a week at East Rindge, three hours each day. Miss Hale has conducted a story hour once a week in all three villages, which has been a source of great pleasure, and we believe, benefit, to the children.

In anticipation of the continuation of the CWA work to May 1st we have planned through the kindness of the East Rindge Sabbath-school Corporation, to hold the Library Exchange in East Rindge in the chapel after Feb. 1st. During the period previous to February, the library hours have been held in the home of Mrs. T. Douglas Barker, and we wish to thank her at this time for her generous cooperation in helping to make this project possible.

Report of West Rindge Branch Library

Report for the Year Ending December 31, 1933

and for Jan. 1934

It has seemed advisable to change the period for the annual report of the West Rindge Branch Library from the calendar year to the Town fiscal year, thus making the period the same as that for which the report of the Ingalls Memorial Library is given. Therefore the report for January, 1934, is added to the yearly report in this instance.

The West Rindge Branch Library has been opened 95 days during the year 1933 and 8 days in January, 1934. Fifty-one books have been added to the book collection.

Since we have been so fortunate as to have the help of a librarian, Miss Wilma A. Hale, working under the CWA program from early in December to February, the library has been kept open an additional hour twice a week, making the hours for circulation on Monday, 5 to 8 P. M. and on Thursday, 2 to 7 P. M. On Thursday from 6 to 6:45 P. M., Miss Hale has conducted a story hour which has been much enjoyed by the children.

Memorial Day, specialized by the memory of our heroic dead passed with due ceremony and happy success in every detail, culminating in a Memorial Day gathering in the Church, at which the Honorable Louis Elkins, Speaker of the House, of Concord, N. H., spoke inspiringly on the theme of the day.

The graves of our soldier dead were decorated by the children of the town. The War Veterans who have hitherto accompanied the bands, and who have laid floral wreaths on those consecrated mounds, were sadly missing.

The Rindge Band furnished appropriate music for the procession and played tastefully throughout the day. The procession was led by the Rindge Boy Scouts. The cooperation of the children, teachers of the school and citizens, in making the day a signal success, was much appreciated by the selectmen of the town and the committee in charge.

The committee wishes to express most hearty thanks to all the friends who have in any way assisted in making the day a fine achievement, especially to those who assisted with the decorations, made wreaths, put out flags, the Rindge Band, town officers, Boy Scouts, the Veterans of the Spanish War, and of the late war, the

Sons and Daughters of Veterans, the W. R. C., Legion Auxiliary, school board, teachers and children, the orator, the L. V. A. and all others who have assisted in the celebration.

Report of Superintendent of Schools

To the School Board of Rindge:

I herewith submit my sixteenth annual report as superintendent of schools, this being the thirtieth in the series under union supervision.

The only change in the teaching force was at West Rindge where Miss Frances H. Austin of East Jaffrey was elected to succeed Miss Deal who had taught one year in this school. Miss Austin is a graduate of the three year elementary course at Keene Normal School where she had been an honor pupil.

Mrs. Stebbins was retained as supervisor of music, but is employed on half time from November 1st until the April vacation.

The total enrollment for the first term of the present school year was 96. A year ago it was 105, and for the entire school year 1932-33 it was 108.

Miss Margaret E. Harris has been retained as school nurse. She has given careful attention to the needs of the children. She has assisted in the T. A. T. and Dental Clinics held in the schools. From Dec. 1st to Feb. 15th she was assisted in her work by Miss Josephine Cassidy, a graduate of Keene Normal School, who was assigned to this union as a CWA worker.

For ten weeks during the school year 1932-33 free milk was distributed without cost to underweight pupils. This was made possible by Federal funds used under the direction of the State Board of Education. The milk distribution was resumed in November and will continue throughout the school year according to information furnished by the State Department.

In January the distribution of Cod Liver Oil was commenced.

During the present school year a first aid kit and scales were purchased for the schools.

The schools of Rindge are in good condition. All the teachers are skillful and are doing effective work.

Slight salary readjustments were made for the present year, and other expenses cut as much as possible. The teachers have been especially careful in the use of books and supplies, but in order to accomplish effective work we must have an appropriation sufficient to secure the necessary material.

All the teachers attended the convention of the State Teachers' Association held at Claremont on October 12th and 13th.

The schools of Rindge are small but are just as important as those of larger communities. The honors won by Rindge pupils in secondary schools and higher institutions show that the training given in the smaller elementary schools can be fully as effective as that secured in the large town or city schools. In fact the smaller schools offer more opportunity for individual work on the part of the teacher, and the results in later years show that this work is worth while.

I wish at this time to cordially thank the members of the school board, teachers, pupils, parents and all citizens who have co-operated in the important work of maintaining the schools of this town.

Very truly yours,

LEWIS S. RECORD

Superintendent of Schools

East Jaffrey, N. H., February 12, 1934.
